- Developed a fully-functional real-time chat application using the MERN stack, Implemented responsive design with DaisyUI and Tailwind CSS, ensuring seamless compatibility across various devices.

TECHNICAL SKILLS

Languages: C, C++, Python, JavaScript, Embedded JavaScript, HTML/CSS, Mongoose
Version Control System: Git and GitHub
Technologies/Frameworks: React, Query, Express, Node, MongoDB
Web service: AWS Cloud
Databases: SQL, MongoDB, Hygraph
Platforms: Dev-C++, Virtual Studio Code (VS code)
Soft Skills: Collaborative, Adaptability, User-Centric Focus, Empathy etc.
Areas of Interest: Mern-stack Developer,Backend Developer ,Web Development

ACHIEVEMENTS

🔗 **CodeChef :**
- Achieved top ranking in over 31 coding competitions by solving 315+ complex algorithmic problems.
- Achieved a rank of 798th in February CodeChef Starters 136.

🔗 **LeetCode** : Increase proficiency in **C++ programming** by solving **156+** problems.

🔗 **geeksforgeeks :**
- Enhanced algorithms analysis by tackling 153+ coding problems and achieving a score of over 380.
- Achieved Ranked of 606th in GeeksforGeeks weekly coding contest (Contest 154) held in February.

Other achievements:
- Secured rank -128th in Code-Rush coding challenge.
- Earned AWS Cloud Quest Cloud Practitioner badge.
- Won 1st place in Football and Badminton (IIIT-Ranchi Concours Sport Fest).
- Won 1st and 2nd place in Chess Competition (2 consecutive years).

LEADERSHIP / EXTRACURRICULAR

Member of Competitive Programming Club	**Dec. 2021 – Present**
Strengthened ability to analyze problems, design solutions, and communicate them effectively.	*IIIT Ranchi*
Member of Cricket and Volleyball Club	**May. 2022 – Present**
Played an active role in both matches and practice sessions.	*IIIT Ranchi*
